If he comes at you with that punch again, you probably won't be able to dodge it.

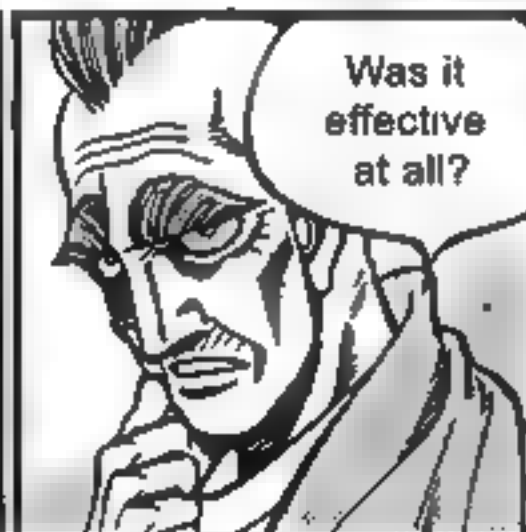

The only punch of his to really reach you was that body blow he tapped you with before

But...

Does he really not have anything else left...?

Is there nothing else Makunouchi can show me or teach me?

Was it effective at all?

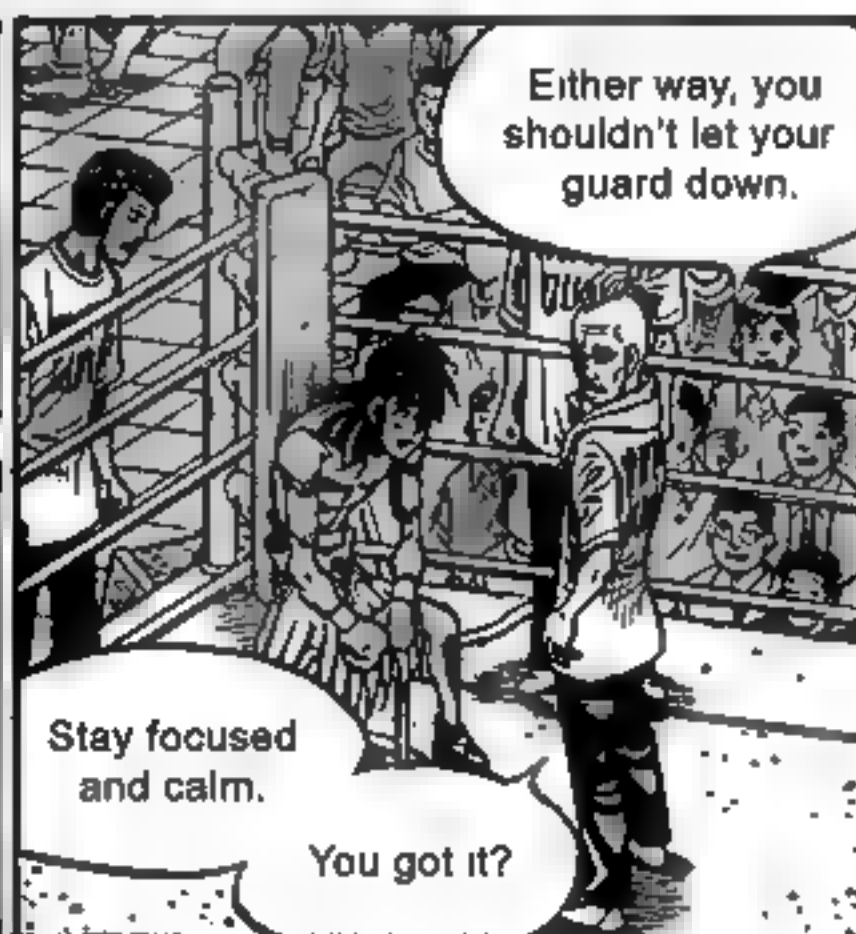

Does he really not have anything more?

Okay.

That's too bad then

NO

are usually able to build up
some momentum even if
their punches are blocked

No need for
anything fancy
or precise!

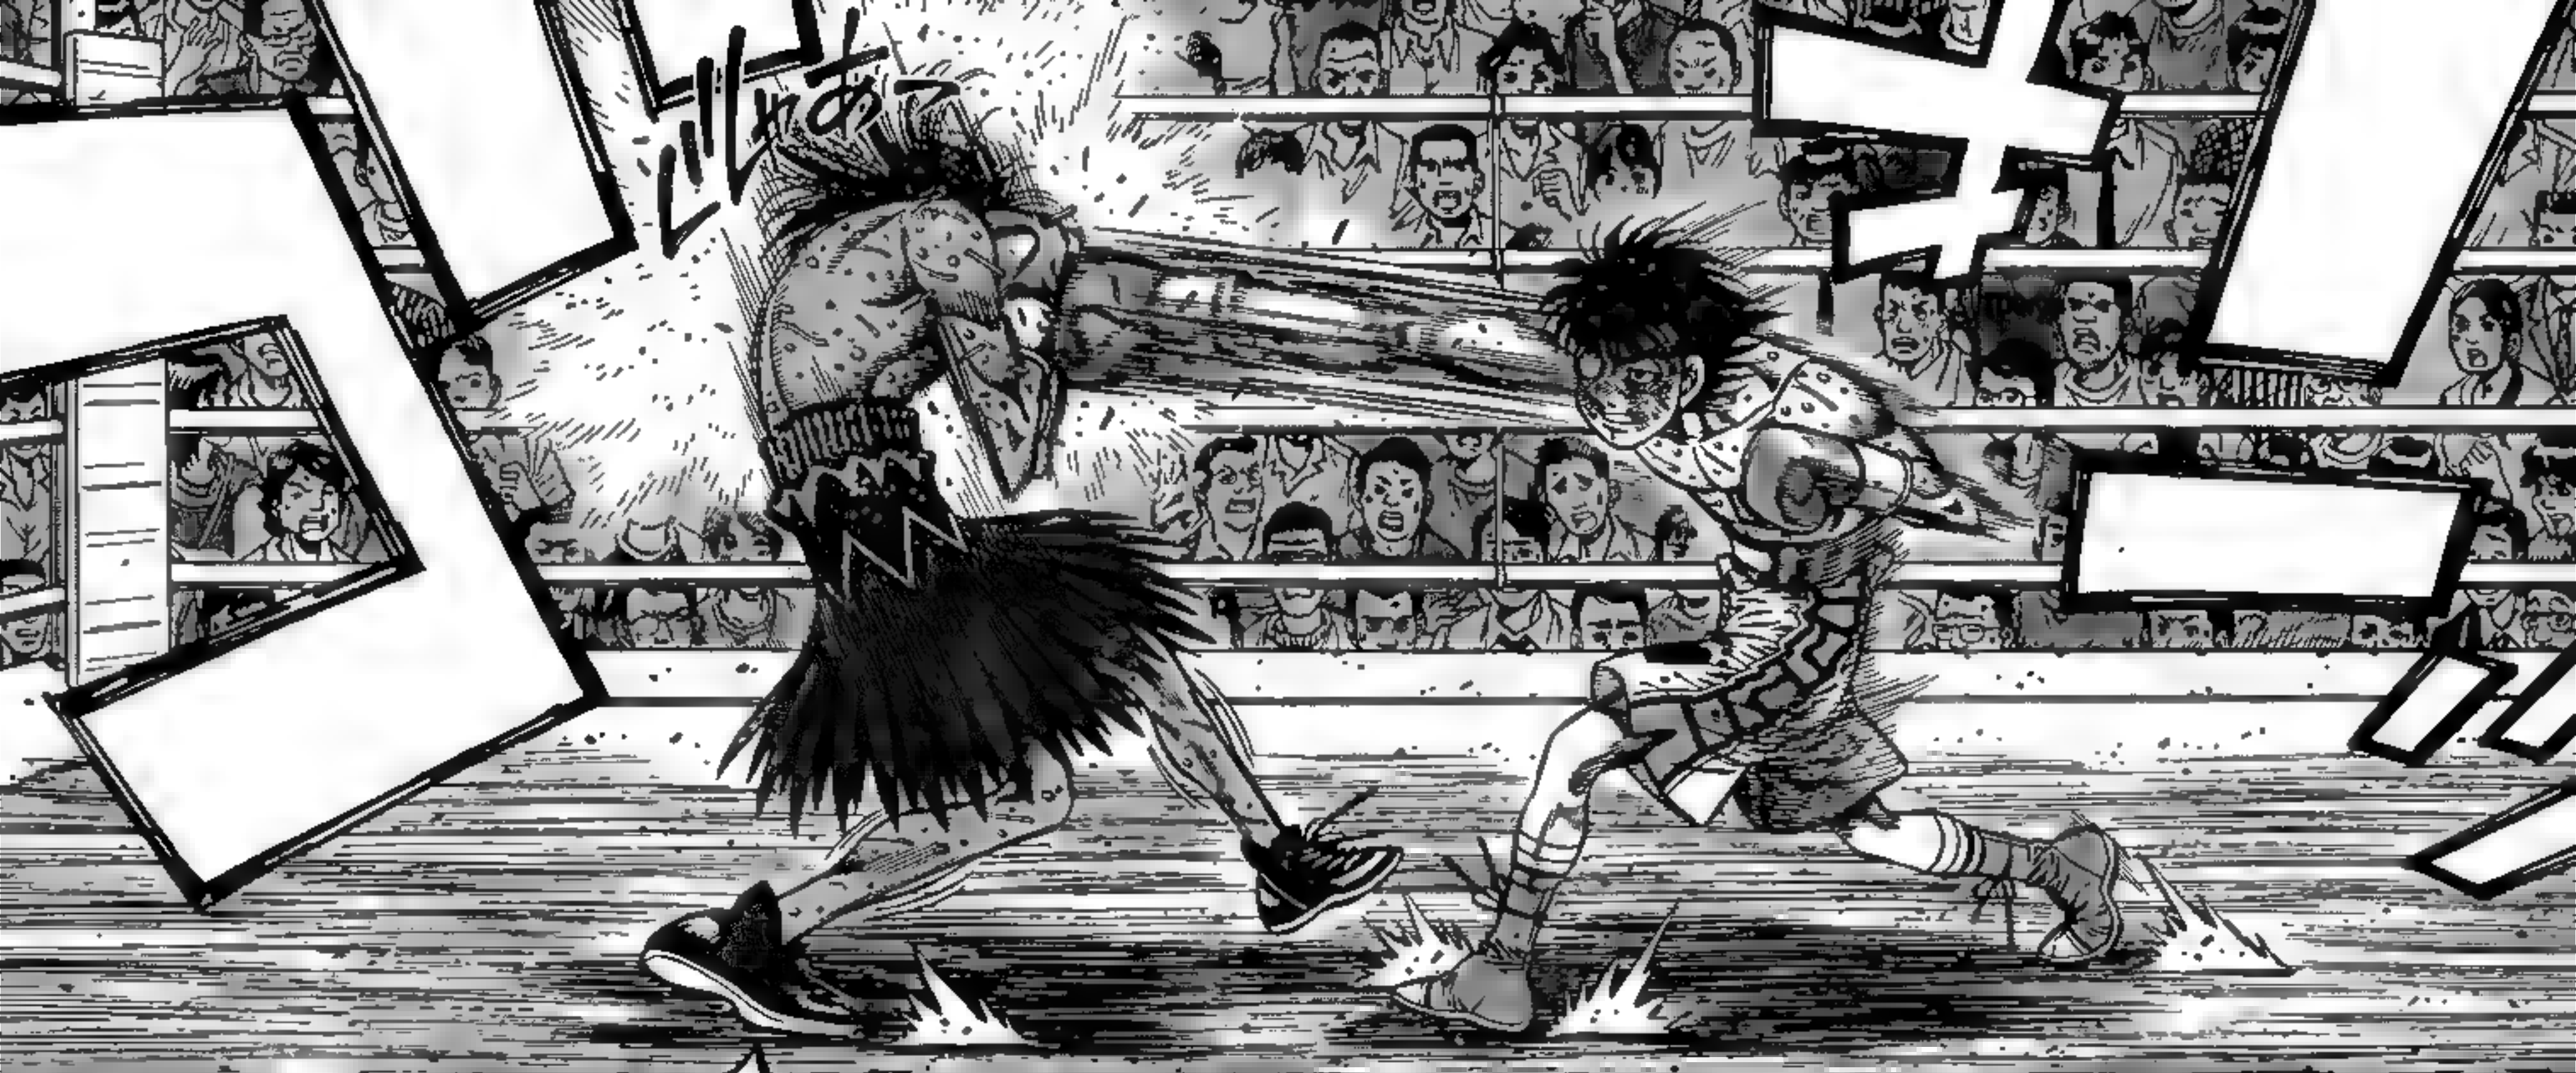

Just get out
of the way and
make him miss!

Just make
him

Why is he
blocking...!?

!!
What in the world is going on here!?

Why won't he just use his footwork to get away!?

THEY'RE WORKING EVEN THOUGH HE'S BLOCKING THEM!

AH
—
HH

DID THAT GET HIM!? I SAW HIM STAGGER FROM IT!

AH ...

I didn't catch him with it

Th-the stool.

I didn't catch Woli's leg with the stool!

I know for a fact I didn't hit him!

But he clearly seemed to think so—

And he was worried about his leg—

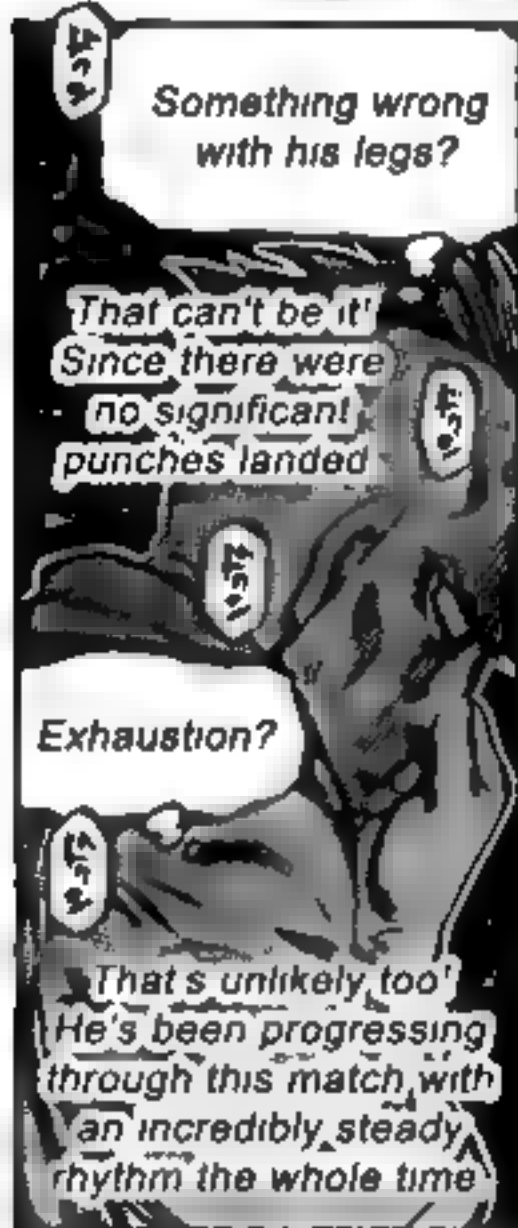

Now that I think about it while I was walking away—

I'm pretty sure I didn't see the stool hit him either "did I?"

He can't use his footwork!?

Something wrong with his legs?

That can't be it! Since there were no significant punches landed

Exhaustion?

That's unlikely too! He's been progressing through this match with an incredibly steady rhythm the whole time

What's wrong with me?

Wh-what.

It's more like there's something that's caught onto my legs

It feels like something's touching my legs.

No, that's not it..

What in the world is going on here...?

I THINK THAT'S THE FIRST TIME IN THIS MATCH...

SOMETHING'S DIFFERENT... I CAN FEEL FEEDBACK IN MY FISTS.

What's happening to Woli!?

THIS IS IT...

DAMNED IF I KNOW,

BUT

WHY IS HE DOING THAT?

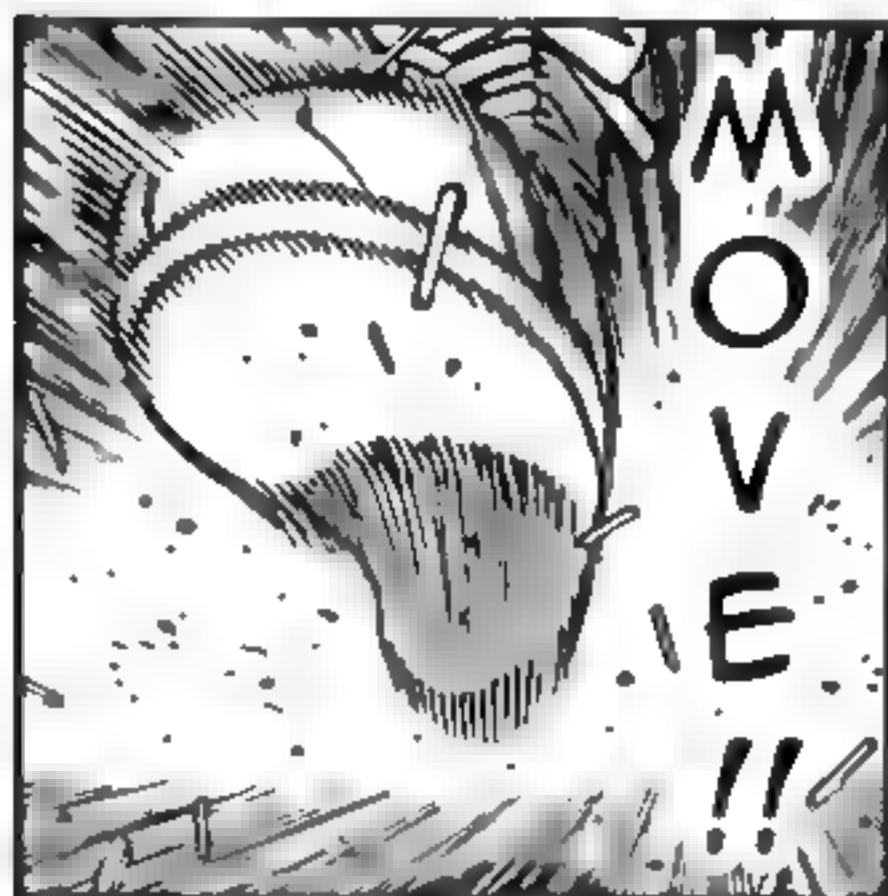

AND TRYING TO SURVIVE BY BLOCKING THOSE BLOWS.

HE'S FINALLY FLAT-FOOTED NOW AFTER ALL THAT FANCY FLYING...

GET HIM!

I just have
to get away from
him for now.

I'll jump!

Just like
I always do
when I'm with
my friends in
the jungle .

Jump!

NG ...

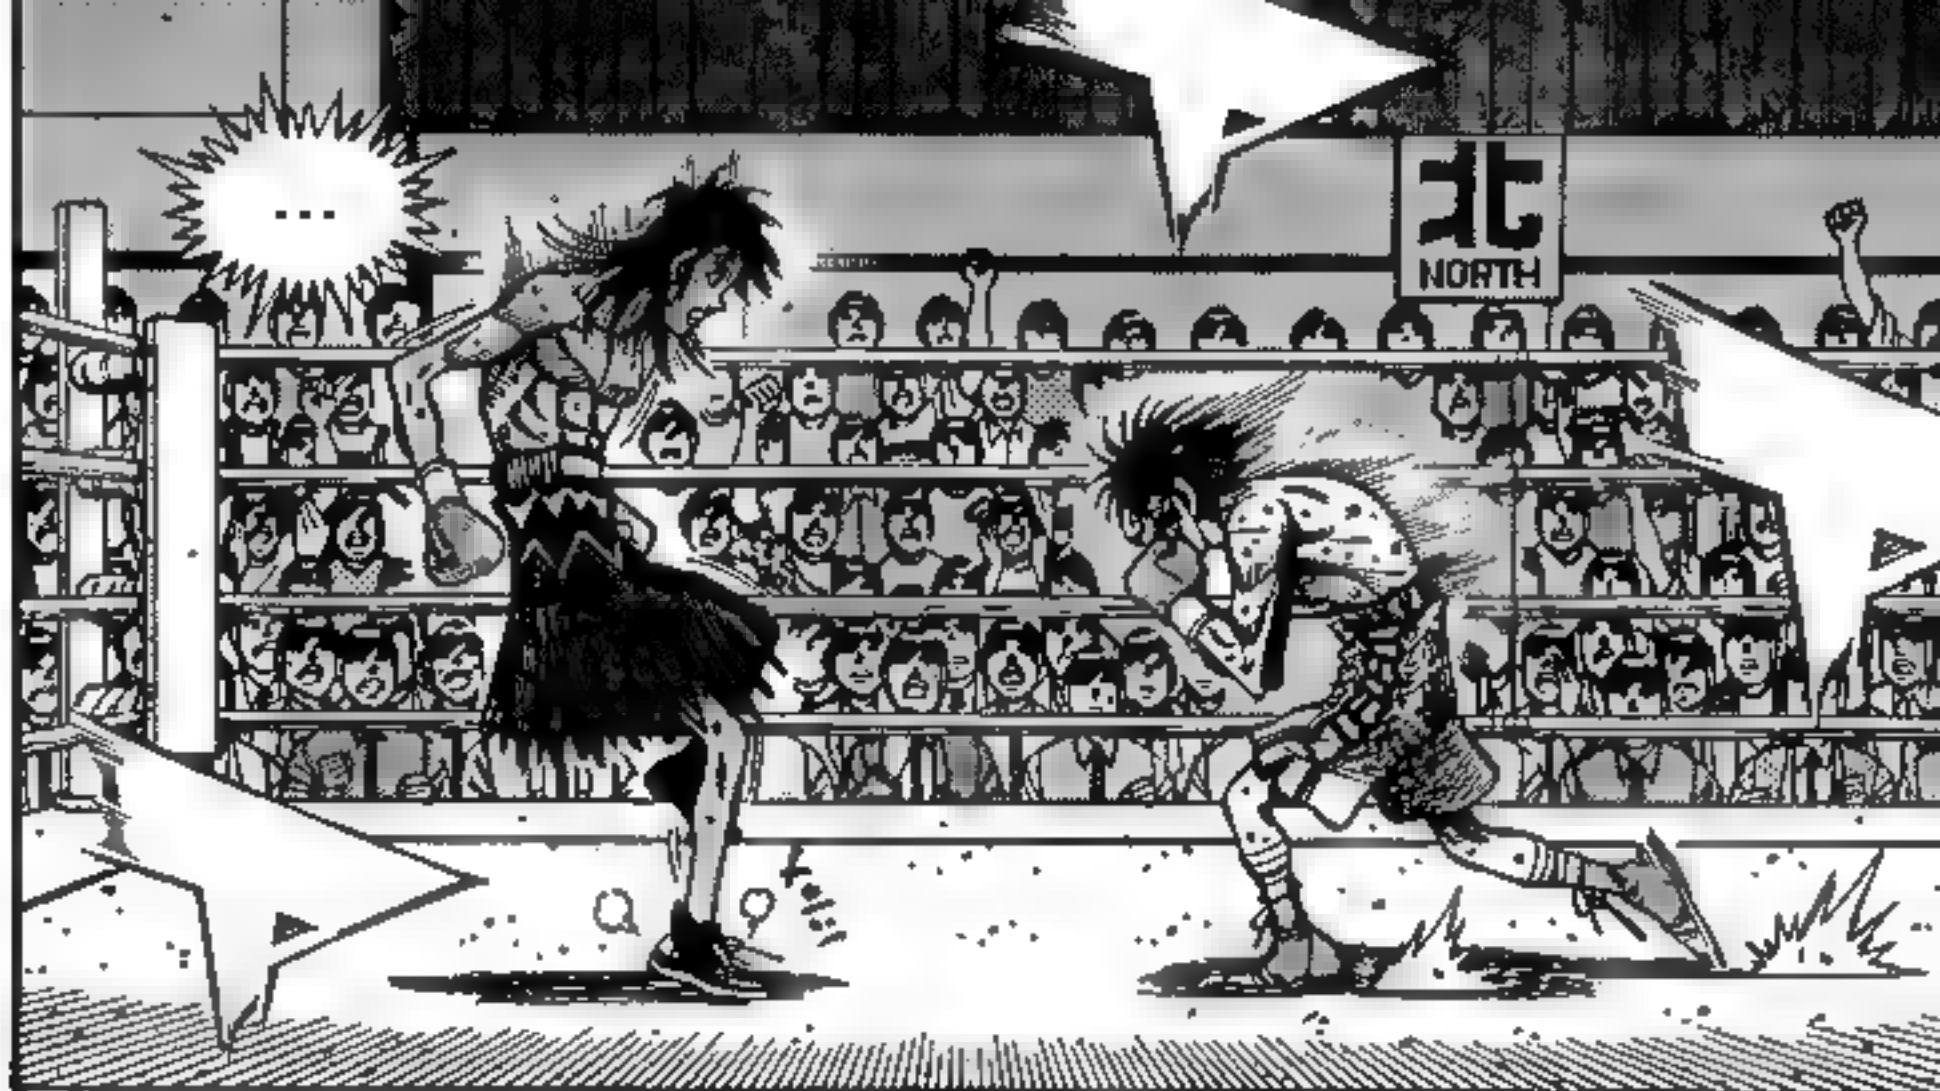

That's
more like
